

NMP UPDATE Working Sessions

It's Update Time!

Sessions available for those folks who have already taken one of our NMP classes to update your plan. We provide assistance, and quiet space for you to get your updates done!

- **Tuesday January 21, 2020 (tentative)**

Rutland Free Library 10am—3pm

- **Wednesday January 22, 2020 (Tentative)**

Rutland Free Library, 10am—3pm

- **Friday January 31, 2020**

What: Update your NMP with your Spring/Summer/Fall 2019 records. Roll-over your plan to 2020 and make any changes that are needed. Print reports and records.

More Details
on Reverse
Side!!!

The update sessions are free, but goCrop subscriptions are not.

An annual fee of \$249 is required for goCrop.

If you need to renew, please bring a debit or credit card (we cannot accept cash or check).

We will supply a small lunch and beverages.

Reminder - to stay in compliance with the state you need to keep records and update your plan every year. We can help you fill out any necessary paperwork.

PLEASE RSVP!

Please let us know if you are coming so we can plan accordingly

NMP UPDATE Working Sessions

In order to complete your NMP Update, you should bring the following with you:

- ◇ Your NMP Workbook/Binder from your original NMP Class and your most recently updated NMP. This is the binder(s) that has all of your maps, soil information, etc.
- ◇ Your login/password information for the web-based goCrop.
- ◇ New manure test(s) (required every year) and soil tests (required every 3 years) .
- ◇ Farm records for 2019: manure production and spreading records, crop records, grazing records, animal numbers, etc.
- ◇ If you have added any fields, you should bring in new maps for those additional farms, tracts, or fields.
- ◇ Any updated RUSLE2 based upon a yearly rotation for any new fields.

If you have questions about any of these items, please give us a call and we can help you figure it out.

Contact your Land Treatment Planner (LTP) if you need new maps or RUSLE2s for new fields.

If you cannot make these days but would still like to participate, call us for another appointment time.

Please be aware if you do not have an up-to-date 2019 plan you will most likely have additional work to do, and it is best to contact us ahead of time to sort those details out.

PLEASE RSVP!

Please let us know if you are coming so we can plan accordingly
